SMOKING POLICY

In line with the Pony Club Association of South Australia's Smoke-Free policy, we remind all members that riders are to refrain from smoking whilst in Pony Club uniform. This applies at **all times**.

The Smoke-Free policy also states that outdoor spectator grandstands are also to be smoke-free so smoking is **not** permitted on the grandstand near the sand arena. We are bound to adhere to this policy during rallies and official Pony Club events. This also applies to visitors, family members and officials.

We ask that all visitors and riders restrict smoking as much as possible during rallies. Smoking during rallies is now only permitted in the **DESIGNATED SMOKING AREA**. This is the fenced area directly to the east of the Canteen. This applies **TO ALL PEOPLE ON THE GROUNDS** during a rally, event or Pony Club fixture.

Smokers must dispose of cigarette butts responsibly (that is put them in the bin). Do not butt cigarettes out on the ground.

The entire Canteen area, toilets, Club shed, stables and tack sheds are to be **smoke-free**.

This policy applies to all members of the Pony Club as well as administrators, officials, coaches and visitors.

Non-compliance will result in disciplinary action by the club, Zone or State disciplinary committee and could jeopardise Government funding to the Pony Club Association.

All members will be asked to sign a form to indicate that they have received a copy of this Policy.
